Strategies for Qualitative Interviews

The guide acts as a prompt, reminding you of necessary topics to cover, questions to ask and areas to probe. As such, it should be simple so that your primary focus can stay on the respondent. It's best to memorize your guide! How much time will you spend with each respondent? Adjust your guide accordingly (it may take several interviews to judge the correct length). Try out a new guide (or

Resource Guide for Teachers and Parents

The guide can be adapted to various venues including parents' meetings, community workshops, and professional development seminars for educators and youth service providers. Viewers are invited to expand their awareness of social bullying, share experiences and expertise, and relate insights from the documentary to their own work with girls.
